---	--	--

PURPOSE: This is a public informational hearing on an application to issue a nonmetallic mining *reclamation* permit pursuant to § NR 135.20, Wis. Adm. Code. It will be conducted as an informational hearing for the purpose of explaining and receiving comment from affected persons on the nature, feasibility and effect of the proposed *reclamation*.

The subject matter and comments (oral and written) at this public informational hearing are limited to *reclamation* of the nonmetallic mine site. The hearing will not cover non–reclamation matters because they are beyond the scope of Ch. NR 135, Wis. Adm. Code reclamation. Non–reclamation matters, beyond the scope of this hearing, include but are not limited to: those related to zoning; the question of whether to use the land for mining; traffic; setbacks; blasting; dewatering; hours of operation; noise or dust control; or those subject to other authority.

The proposed reclamation plan for this site is available online at: <https://www.co.door.wi.gov/188/Soil-and-Water-Conservation>

In light of the declared state of emergency, and to mitigate the impact of COVID-19, this public informational hearing will be held remotely. Members of the public may only monitor and participate remotely, using one of the following:
